COUNT I

The conduct of Registrant, as set forth in paragraphs 2, 3, 4, and 5 above, evidences a violation of:

R400.1911

Supervision.

- (1) The caregiver shall assure appropriate care and supervision of children at all times.

COUNT II

The conduct of [REDACTED], as set forth in paragraphs 2, 3, 4, and 5 above, evidences a violation of:

R400.1902

Caregiver and child care home family.

- (3) All persons, including minors, residing in the child care home shall be of good moral character and be suitable to assure the welfare of children.

DUE TO THE serious nature of the above violations and the potential risk it represents to vulnerable children in Registrant's care, emergency action is required. Therefore the provision of MCL 24.292 of the Administrative Procedures Act of 1969, as amended, is invoked. Registrant is hereby notified that the certificate of registration to operate a family child care home is summarily suspended.

EFFECTIVE 6:00 p.m., on December 10, 2014, Registrant is ordered not to operate a family child care home at 717 56th Street SE, Kentwood, Michigan 49548, or at any other location or address. Registrant is not to receive children for care after that time or date. Registrant is responsible for informing parents or guardians of children in care that certificate of registration has been suspended and that Registrant can no longer provide care.

HOWEVER, BECAUSE THE Department has summarily suspended Registrant's certificate of registration, an administrative hearing will be scheduled before an Administrative Law Judge. Registrant will be notified of the hearing date.

Registrant MUST NOTIFY the Department in writing or by phone no later than 5 days before the administrative hearing whether or not Registrant plans to attend. MCL 24.272 of the Administrative Procedures Act of 1969 permits the Department to proceed with the administrative hearing even if Registrant does not appear. Registrant may be represented by an attorney at the administrative hearing.
